# COMMUNITY PROGRAMS & IMPACT

It is an important part of our mission to cultivate our community. Looking over our accomplishments in the past year, we celebrate our efforts of working as a team to enrich the lives of those in the region.

94% of program participants report they developed or improved a skill or technique as a result of taking a CCA class.

CCA welcomed 6,401 in-person visitors and 10,931 online guests from September 1 2021 to August 31, 2022

"Beautiful exhibit! I never cease to be amazed by the creativity of people. Thank you for all you do for the community!"

"Our family is so grateful for the scholarship assistance my daughter received to take dance. This experience provided her with a valuable self-esteem boost at a critical time in her life. She learned how sticking with something pays off—overcoming doubts and earning success. Thank you!"

95% of participants rate CCA's programs as "excellent" or "very good"

"Thank you for building upon the offering of classes available. We are so lucky to have these opportunities in Charlevoix!"
